Targa 30

Targa 30

The ancient Greeks sailed from Greece to the Black Sea coast in 1200 BC. They made their voyage in the best boat available to them. Theirs was a voyage of exploration and self-discovery that took them beyond the horizon.

Now it is Targa's turn to take you on your own voyage of discovery.

Targa 30

L.o.a.	9,63 m	31,7'
Length (hull)	9,05 m	29,8'
Beam	3,15 m	10,4'
Draught	0,85 m	2,8'
Weight	approx. 5800 kg	
Fuel tank	640 L	
Engine (1-2 engines)	228-462 kW 310-630 HP	
Speed	29 - 43 K.T.	
Cruising speed (2 x 260 HP)	approx. 32 K.T.	
Fuel consumption (1 x 310 HP)	approx 2,0 L/N.M.	
Fuel consumption (2 x 260 HP)	approx. 2,2 L/N.M.	

Options are shown on the pictures

Targa 30

The most important characteristic of the Targa 30 is its practicality and high level of functional features. Excellent handling characteristics and powerful engines ensure good performance. In common with all Targa boats handling is safe and pleasant even at higher operating speeds. The spacious pilothouse and two separate interior cabins ensures passenger comfort.

- Fore and aft self draining decks
- Swimming platform including ladder
- Wide passageways around pilothouse
- Flybridge steering position
- 8 + 3 seats on deck
- Pilothouse with two sliding doors
- U-shaped front seat with storage lockers
- Seat in front of pilothouse
- Six seats in pilothouse
- Table for five in pilothouse
- Galley (2-burner cooker + fresh water)
- 1 double + 1 pipe berth in aft cabin
- Toilet including shower in aft cabin
- Mini forecabin including two berths.

OPTIONAL EQUIPMENT

The following is just some of the equipment available as optional extras:

- Coloured hull / special colours
- Teak deck / seats
- Mast with boom including winch
- Foldaway teak table for fore/aft deck
- Storage box/seat; foldable seats on aft deck
- Pantry equipment: fridge, icebox, micro-oven etc
- Bow and stern thrusters
- Aft/fore deck anchoring systems
- 220 V chargers/inverters
- Heating system
- Navigation equipment.
